🎓 Experienced Tutor | Columbia University | PhD in Biochemistry

I hold a PhD in Biochemistry from Columbia University and have been tutoring IB Chemistry, A-Level, and IGCSE Chemistry for the past 4 years. My background in medical writing and academic research allows me to provide students with deep insights into the subject, helping them excel in their exams.

Teaches: Chemistry Biology

Curriculum: IB A-Level IGCSE GCSE

## Qualifications

**Columbia University:** PhD in Biochemistry (2016-2020)

**Columbia University:** MSc in Molecular Biology (2017-2019)

**University of Edinburgh:** BSc in Chemistry (2012-2016)

Vetted Tutor

## Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

## Tutoring Experience

I've spent the last 4 years tutoring Chemistry to students from various international curriculums, helping them achieve their goals. My experience spans across GCSE, IGCSE, IB, and A-Level, guiding students through difficult concepts and preparing them for higher education in science-related fields.
