## Tutoring Experience

With 7 years of experience and over 2,000 tutoring hours in the Emirates, I have developed a deep understanding of the challenges students face in mastering Maths at the IB, IGCSE, GCSE, and A-Level stages. My Cambridge background in Mathematics allows me to break down complex topics like algebra and calculus into manageable steps, ensuring my students not only grasp but excel in these areas. I've helped students consistently achieve top-tier grades by focusing on their individual learning needs.

## Tutoring Approach

My approach is entirely tailored to the student, aiming to identify and address specific gaps in understanding. Whether preparing for IB exams or mastering GCSE-level concepts, I design lessons that target each student's unique strengths and weaknesses. By building a strong foundation in core areas like algebra and calculus, I ensure that my students gain both confidence and competence, enabling them to approach exams with clarity and precision.
