## Tutoring Experience

With 15 years of teaching experience, I have guided students through a range of curriculums, including IB, IGCSE, and A-Level. My focus has been on helping students achieve excellence in English, covering literary analysis, essay writing, and exam preparation. I've worked with a diverse group of learners, both locally and internationally.

Throughout my career, I've helped students improve their critical thinking and writing skills, ensuring they excel in challenging academic environments. My familiarity with different syllabuses enables me to provide comprehensive support, regardless of the curriculum. Whether working on exam preparation or in-depth textual analysis, I aim to boost students' confidence and performance.

In addition to teaching core English subjects, I've also supported students preparing for university entrance exams, such as the SAT and ACT. I tailor my lessons to each student's needs, ensuring they feel well-prepared for any challenge they face in English studies.
