Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

Tutoring Experience

Over the past 7 years, I've guided students through challenging topics in IB and A-Level Chemistry, providing personalized support in their studies. I've worked with students from across Hong Kong, helping them build a strong foundation in chemistry and achieve top marks in their exams.
